P.C.

. We have passed an order on March, 29, 2007 which for all practicable purposes has granted reliefs as sought for in the Motion. The matter was kept back to examine the status report to be filed by S.R.A. The matter is called out today. On behalf of SRA learned Counsel draws our attention to the affidavit dated 18th December, 2006 filed on behalf of S.R.A. wherein they have filed the status report. It is their contention in para.3 that there are no appeals or applications pending.

2. However, on behalf of the respondent No.8 their learned Counsel submits that there are Appeals pending in respect of which they have received notice. The respondent No.8 to make available to the SRA the list of the Appeals and their numbers which they have in their possession within a week from today. The SRA to examine the same. If the Appeals are disposed of to communicate the decision to the respective parties. If

the Appeals are not disposed of to dispose of the same within six weeks on a copy of this order being served upon him.

3. The Appeals are pending before the Additional Collector (Encroachment), Western Suburbs. The Additional Collector to dispose of the said Appeals within six weeks on a copy of this order being served upon him, if there be any Appeal pending.

4. By order of March, 29, 2007 we have directed that the parties affected be given hearing. The SRA has constituted a Committee of four persons. The said Committee to give hearing to the persons referred to in the order dated March 29, 2007. With the above observations Notice of Motion stands disposed of.
